Dottorato in Scienze della Vita-Life Sciences
Timetable of 2026 courses

Name of the course	Professor	Timetable
Seminar: Drone-based technologies for plant diversity and habitat monitoring	**Leopoldo De Simone** leopoldo.desimone@unisi.it	**March 9** 10:00-13:00, Room: 24
GIS applications for environmental sciences	**Giovanni Bacaro** gbacaro@units.it	**March 30, 31, April 1** 09:00-13:00 Computer lab, Laterino, in-person only.
How to publish in scholarly journals. Understanding the publishing process	**Lupetti Pietro** pietro.lupetti@unisi.it	**April 16** 15:00-18:00, Room: 15
Epidemiology	**Bezzini Daiana** daiana.bezzini@unisi.it	**April 20** 14:00-16:00, Room: 23 **April 22** 14:00-16:00, Room: 23
Plant diversity and its conservation in agroecosystems and agricultural landscapes	**Fanfarillo Emanuele** emanuele.fanfarillo@unisi.it	**May 8** 09:00-13:00 Room: 23 14:00-16:00 Room: 7
Genome Editing	**Patrussi Laura** patrussi2@unisi.it	**May 20** 10.00-13.00 Room: 7 14.00-17.00 Room: 23
Analyzing biological and biodiversity data in R: hypothesis testing and regression models	**Fattorini Niccolò** niccolo.fattorini@unisi.it	**May 26,** 14:00-18:00 **May 28,** 09:00-13:00 **May 29,** 09:00-13:00 Computer lab, San Miniato, in-person only.
Principles and applications of optical microscopy	**Finetti Francesca** finetti4@unisi.it	**June 5** 14:00-17:00 Room: 10
Vaccines old achievement and new perspectives	**Montomoli Emanuele** emanuele.montomoli@unisi.it	**10 June** 14.00-17.00 Room: 10
The Physiopathological Role of Lipids in Cellular and Biological Functions	**Ermini Leonardo** leonardo.ermini@unisi.it	**June 11** 09:00-13:00 Room 22 **June 12** 09:00-13:00 Room 22
Evaluation of vaccine immunogenicity: past, present and future	**Trombetta Claudia** trombetta@unisi.it	**September 9** 14:00-18:00 Room 7

Dottorato in Scienze della Vita-Life Sciences
Timetable of 2026 courses

Functional proteomics *two hours in classroom and two hours in the laboratory **practical lesson, can be done online aula virtuale	**Landi Claudia** Claudia.landi@unisi.it	**September 15*** 9:00-13:00, Room 23 **September 16*** 9:00-13:00 Room 23 **September 17**** 9:00-13:00 Room 23
Human-wildlife coexistence in the XXI century	**Ferretti Francesco** ferretti13@unisi.it	**September 21** 10:00-13:00 Room 22 **September 25** 10:00-13:00 Room 22
Nectar in plant animal interactions: from evolution to ecology	**Nepi Massimo** massimo.nepi@unisi.it	**September 28** 15.00-18.00 NEW! Room: 22
Approaching research questions in ecology and biogeochemistry by using stable isotope analysis	**Monaci Fabrizio** fabrizio.monaci@unisi.it	**October 9** 11:00 -13:00 Room: 10 **October 15** 11:00-13:00 Room: 3 **October 22** 11:00-13:00 Room: 3
Bioinformatics in Omics Sciences and System Biology	**Bianchi Laura** laura.bianchi@unisi.it	**October 26** 9:00 -12:00 **October 28** 9:00-12:00 Computer lab, San Miniato, in-person only
(Some) Secrets of Academia	**Bonari Gianmaria** gianmaria.bonari@unisi.it	**October 13** 09:00-12:00 Room: 6 NEW!! 14:00-17:00 Room: 11
Experimental Models for Studying the Cardiovascular Properties of Natural and Synthetic Compounds.	**Saponara Simona** simona.saponara@unisi.it	Lab-experience. In person only Will be scheduled soon.
